RE: TracFone Wireless Inc.  
Our File: 34395/01500  
Docket No.: 2009-144-C

Dear Mr. Terrini:

During the September 3, 2009 hearing in the above-captioned matter, the Commission directed the South Carolina Office of Regulatory Staff ("ORS") to submit a late filed exhibit identifying all designated South Carolina competitive eligible telecommunications carriers ("ETCs") that offer Lifeline services and contribute to the South Carolina Universal Service Fund ("SC USF"), but do not also receive funds from the SC USF. ORS filed the requested late filed exhibit with the Commission on September 22, 2009. That exhibit lists eight competitive ETCs, three of which are wireless ETCs that contribute to the SC USF, but do not receive funds from the SC USF.

TracFone Wireless, Inc. ("TracFone") respectfully requests that it be allowed to submit a third late-filed exhibit to the Commission that provides provide additional information that is relevant to the issue in dispute in this matter. Attached to this letter, please find two charts filed by the Universal Service Administrative Company ("USAC") with the Federal Communications Commission as part of USAC's quarterly administrative filings for the fourth quarter of 2009.

Appendix LI03 lists the ETCs in South Carolina as of the second quarter of 2009. Two of the competitive ETCs listed in ORS' late filed exhibit do not appear on USAC's list (Everycall Communications, Inc. and Nexus Communications, Inc.). Appendix LI05 indicates that of the wireless ETCs listed in the exhibit filed by ORS, Hargray Wireless, LLC has not sought Lifeline support from the federal USF and HTC Wireless and FTC Wireless have only sought nominal amounts of Lifeline support from the federal USF.
